

ACTS BIBLE STUDY

Join us when you can for this extended Bible Study. We'll examine all of the Book of Acts over 12 weeks.

Each week participants should prepare by reading the accompanying Scripture in Acts and the corresponding study guide chapters (they are short chapters, primarily containing questions to prompt thinking and discussion). We will look at two chapters each week. (Note: There are times when the group will be self-guided when Pastor Nikki is away.)

If you need a Bible, you may borrow a pew Bible. If you prefer, you can find the passages on the internet at BibleGateway.com. Pastor Nikki recommends the New Revised Standard Version for Bible Studies.

The Study Guide, from N.T. Wright's **For Everyone** series, is available at no cost to participants. If you choose to donate to offset costs, that is appreciated but not necessary.
